

Cape Cod Hospital Auxiliary Raffle

Each year, employees of the Eastham company, **Cape Associates, Inc.** build a child's playhouse and donate it to a local organization or charity to be used as a fund raising raffle prize. These playhouses replicate local historic buildings and landmarks. The 2009 playhouse represents the historic **Brackett Farmhouse** (*Seamen's Bank near Brackett Road on Rt.6 in Eastham*).

The **Cape Cod Hospital Auxiliary, Orleans Branch** has been chosen as this year's charity and all proceeds from the raffle will benefit the CCH Cardiac Care Center. The drawing will be held on Sunday, September 13, 2009 during Eastham's "Windmill Weekend". No need to be present to win.
