

CAPE COD HOSPITAL AUXILIARY

The Cape Cod Hospital Auxiliary is an organization whose mission is **“to promote and expand Cape Cod Hospital facilities and services to the highest possible quality through philanthropy”**.

The Auxiliary is one of the largest donors to Cape Cod Hospital, having donated nearly \$7 million for various state-of-the-art equipment. We are currently working on a \$1.5 million pledge to the Cardiac Care Center.

The Auxiliary consists of four town branches, a Gift Shop located in the hospital lobby, and a Thrift Shop in Hyannis which is rated as one of the best in the state.

The town branches each hold monthly meetings to plan fund raisers and host various educational and entertaining speakers. Members from various branches also sew comfort pillows for surgical patients, children’s animal hand puppets for the ER and ‘Wacky Doll’ surgical pillows for Pediatrics. Others knit caps for the newborns.

Members of the Auxiliary are hard working, dedicated volunteers. Whether you are a member of a Branch, contribute time at one of our shops, or participate in both of these activities, the camaraderie among the group is unsurpassed and all consider it a labor of love.

If you are interested in becoming a member of the Cape Cod Hospital Auxiliary, please call the Cape Cod Hospital Volunteers Office at 508-862-5259 to request contact information for one of our four branches. There are Auxiliary branches in **Barnstable, Chatham, Orleans and Yarmouth Port**.
