

Eastham Ponds Study Report

Public Presentation

Tuesday May 26, 7 p.m.

Eastham Town Hall

Ed Eichner of S-MAST (School of Marine Science and Technology)

UMASS, Dartmouth

Tom Cambereri, Water Quality Department Manager, Cape Cod Commission will present the results of the six year study of 9 of Eastham's beautiful ponds:

Water quality? Eutrophic state? Aesthetics? Fishing Conditions?

What do you want to know about...

Great Pond, Herring Pond, Depot Pond, Muddy Pond,
Schoolhouse/Minister Pond

Jemima Pond, Widow Harding Pond, Moll's Pond

Come hear the presentation and ask your questions

Bring your favorite pond photos!

Let's talk about what we can do to stabilize or improve these treasures
