

Helen Marie Nickerson

LOCKE, N.Y. — Helen Marie Nickerson passed from this life on February 14, 2010, in her 80th year. She was born on January 10, 1930, in Dorchester, Massachusetts, daughter of the late Albert Edward and Helen Agnes (McDermott) Madden.

Married 48 years to her late husband, Gordon M. Nickerson, who predeceased her in 1996, they raised four children together in Eastham: Maureen, Gordon Jr., Deborah and Darryl. She is survived by her two sons, Gordon Jr. of Locke, N.Y., and Darryl of Lansing, N.Y., her daughter Debbie of Locke, N.Y., eight grandchildren and five great-grandchildren.

At the time of her passing, Helen was living in upstate New York to be close to her children. Family was important to Helen, as she moved from her home on Cape Cod to be with her family in her later years. However, she never lost the desire to "be home" on Cape Cod. After several years of being away, Helen will be returned to the place she loved for her final resting place, alongside her husband and daughter in Eastham.

Funeral services and interment at Evergreen Cemetery in Eastham are scheduled to take place on May 1 at 2 p.m.
